GRIZZLIES WIN 8-3 FROM MT. ST. CHAS.

ROSS, HIGBEE AND SPILLER MONTANA BATTERY

Game Was Slow; Montana Players Expect to Wallop Aggies on Bobcat's Field.

Montana won her first baseball game of the season yesterday at Helena with Mt. St. Charles as the loser. Ross and Higbee pitched for the Bruins, score 8 to 3.

According to a telegram received at The Kaimin office the game was slow. The Mt. St. Charles batter was Crowley and Scanlon. Spiller caught for the Grizzlies.

Montana got eleven hits and Mt. St. Charles nine. The Catholic players committed seven errors and the Bruins three. Ross fanned five men, Higbee seven and Crowley six.

The telegram was sent from Townsend, while the team was enroute for Bobcat lair. Coach Schreiber, on the strength of the performance of his men in the initial contest of the season, predicted defeat for the Aggies.

SPRING EXAMINATION SCHEDULE ANNOUNCED

The final examination schedule for the spring quarter has been arranged as follows:

Saturday, June 5.
8-10—Examination for classes (lecture or laboratory) meeting MWF p. m.

10-12 — Examination for laboratory classes meeting W. p. m. and S. a. m.
Monday, June 7.

8-10—Examination for classes meeting MWF at 9.

10-12—Examination for classes meeting TThS at 11.

1-3—Examination for classes meeting TThS at 9.

3-5—Examination for classes (lecture or laboratory) meeting TTh p. m.

Tuesday, June 8.

8-10—Examination for classes meeting MWF at 11.

10-12—Examination for classes meeting MWF at 8.

1-3—Examination for classes meeting TThS at 10.

Wednesday, June 9.

8-10—Examination for classes meeting TThS at 8.

10-12—Examination for classes meeting MWF at 10.

Examination for classes meeting at hours other than the above to be arranged by instructors in charge of such classes.

PHI KAPPA PSI HERE TO INSPECT IOTA NU

Local Fraternity Founded in 1908, Is Third Oldest on Campus.

Albon W. Holden of Chicago, an archon from the fourth district of Phi Kappa Psi, arrived in Missoula Tuesday to inspect Iota Nu, a local fraternity.

Iota Nu, which was founded at the State University in 1908, has been seeking a charter in Phi Kappa Psi since that time. It is the third oldest fraternity on the campus, being outranked only by Sigma Nu and Sigma Chi.

The petition of Iota Nu for Phi Kappa Psi will again be presented at the convention in Minneapolis July 1, 2 and 3.

M. S. C. Coach Will Go to Stanford This Fall

Walter D. Powell, director of the department of physical education at Montana State College, will go to Stanford University next fall as athletic coach of that institution. He succeeds Melbourne E. Evans.

During the war Powell was athletic director at Camp Sherman, Ohio, and served also in the navy. He was a graduate of the University of Wisconsin.

Powell will coach the football and basketball and probably the baseball teams at Stanford.

Powell has been at the State College during the past year. He is in charge of all Bobcat athletic teams. He took the place there left vacant by Fred Bennion, who resigned last spring to take up work at the Oregon Athletic College.

DR. L. WIRT SPEAKS FOR RELIEF IN NEAR EAST

Says America Is Only Country Able to Give Help to Armenia.

"America is the only country which can help Armenia," said Dr. Lincoln Wirt, who spoke in Main hall Wednesday night on near east relief. "No European country can do relief work in the east without arousing jealousy among other nations." Dr. Wirt, who is from California, went across with the first American relief expedition to Armenia after the signing of the armistice.

There is a shortage in Armenia of everything but children. America has established more than 150 orphanages caring for 51,000 children. Between Constantinople and Bagdad there are 44 hospitals. Dr. Wirt told many stories of Turkish atrocities in Armenia and of the help that the Armenians had during the war.

Dr. Wirt said that \$5 a month or \$60 a year would provide for one orphan. He gave out pledge cards to be signed for the support of the orphans. The State College at Bozeman has pledged to support 20 orphans, and several high schools have pledged even more.

After the lecture, when Dr. Wirt found that Ruth Dana, senior in the department of home economics, is the sister of Charles A. Dana, a near east relief worker, he told an incident in which Mr. Dana was concerned. Dana went to Syria in 1913 as manager of the American press and treasurer of the near east relief fund at Beirut, Syria. The need of funds was urgent but before he could get them he was imprisoned by the Turks. Some time later Professor Ehrdman, who took up Dana's work, received a strange letter from a fellow-worker who had been invalided home. He knew of the need of money and was trying to get word to Dana that he could draw on a New York bank. The letter, which was written in French, said that the writer was painting and that Dana, too, might like to "draw a million pebbles on the bank." The words "draw" and "bank" have but one meaning in French, while they have several in English. The word "pebbles" in Arabic means "hard cash." The letter seemed innocent and passed the censor, but it told the Americans that they could draw for their work one million in hard cash.

Mrs. Helen B. Spear, matron of Knowles cottage, is spending the weekend at Superior, visiting her daughter, Lillian.

ESSAY CONTEST WILL BE HELD ON MAY 10

The final date for the Joyce Memorial essay contest has been changed from May 23 to May 10, according to H. G. Merriam, who is in charge. The change was made because of a faculty ruling that all contests be finished four weeks before commencement. Professor Merriam states that about 12 essays are expected for this year's contest. Evelyn McLeod, '19, a student in the school of journalism, won the prize last year.

A. S. U. M. PRIMARY ELECTION MAY 21

FINAL ELECTIONS WILL BE HELD MAY 24

Petitions of Ruth Cavin and Mooney Accepted by Executive Committee.

The A. S. U. M. primary election will be held May 21 and final election May 24, was the decision of the A. S. U. M. executive committee, which met last night.

The purpose of the meeting was to discuss various petitions and reports and to decide the election date.

The petitions of Ruth Cavin for secretary of the A. S. U. M. and that of Guy Mooney for editor of The Kaimin were accepted by the committee. All petitions of candidates must be submitted to the executive committee at least five days before election and any desired amendments to the constitution must be submitted to the secretary, Clara Johnson, before Tuesday of next week.

Any student is eligible for office and any may submit constitutional amendments, which will also be voted upon at the final election.

A student convocation will be held May 20. At this time all candidates will present their platforms.

A few changes were made in May carnival committees. Alfred Farmer will be manager of the parade and Andy Boyd assistant manager. John Patterson, formally chosen manager, is unable to act.

Sidney Ballard was chosen manager of the carnival with Clyde Murphey as assistant manager, since Henry Lamb, who was first chosen manager, will also be unable to act.

SIGMA UPSILON TAKES SEVERAL NEW PLDGES

Fraternity to Promote Literary Interest Among Students on Campus.

Ye Mermaid Inn chapter of Sigma Upsilon, national honorary literary fraternity, yesterday announced the pledging of nine men. They are: Professor H. G. Merriam, chairman of the English department; Ronald Kain, David Smith, Raymond Garver, Vernon Clinch, Harry Griffin, James Farmer, Radcliffe Beckwith and Tate Peak. The active members now on the campus are Instructor Maurice Dietrich, William Jameson and Ivan Winsor.

This chapter of Sigma Upsilon was organized on the campus in 1915. The purpose of the fraternity is to promote literary interest. The chapter was inactive during the war and is being re-organized this year for the first time since 1917.

The initiation and banquet will be held the week following the interscholastic track meet.

FIFTY-ONE HIGH SCHOOLS ENTERED IN TRACK MEET

Rowe Announces That 220 Contestants Will Participate in Athletic Events, While About 50 Will Take Part in Other Contests.

Two hundred and sixty-three contestants, representing 51 high schools, had made formal entry for the seventeenth annual interscholastic meet by Wednesday night, the close of the period for making entries. According to J. P. Rowe, chairman of the meet, approximately 220 of this number are entered for athletic events. Many high schools wanted to enter the meet that were qualified, but were disqualified since they were not fully accredited.

Chairman Rowe announces that students of the University will be given a special rate of \$2.00 on the tickets instead of the regular price of \$2.50. A special committee, under the charge of Arthur Bevans, will carry on a campaign for the sale of tickets and the Missoula Chamber of Commerce has also promised assistance. Tickets are now on sale at the A. S. U. M. store.

NAME TWO STUDENTS FOR OXFORD AWARDS

Scholarship Omitted During War Will Be Made Up This Year.

Two students will be sent to Oxford by Montana this year to make up for the scholarship omitted during the war, according to Professor H. G. Merriam, head of the English department. The scholarship is good for three years and pays about \$1,500 each year. The scholarship is open to any student in Montana who is over 19 and under 25 years of age, unmarried, and who has finished or will have finished by next December his second year in any college or university.

The candidate does not need to have studied Greek, the scholarship is not limited to the University of Montana men, but is open to any student whose home is in the state regardless of the university or college attended, and further, Oxford does not train men only in Latin and Greek. These are some of the mistaken ideas held by many people in the state. Oxford offers an excellent opportunity to study English customs and government.

Clarence K. Streit of Missoula is the most recently elected student from Montana. He entered Oxford last January and is making an excellent record for Montana. Men interested in the Rhodes scholarship are asked to write Professor Merriam of the State University for information and an application blank. All applications must be filed before August 14. The students to attend Oxford will be chosen the third week in September.

Seniors Present Play at University June 5

The senior play, "Green Stockings," by A. E. Mason, will be given June 5 in the University auditorium, according to Thomas Swearingen, secretary of the Masquer's club.

Seniors who have been chosen to take part are Clara Johnson, Alice Schwebel, Winnifred Meeks, Elva Burt, Lelia Paxon, Hildred Gleason, Thomas Swearingen, Lawton Beckwith, MacPherson Gault, and Cleve Westby.

Miss Ellen M. Geyer, assistant professor of English, will coach the play.

Virginia Bartels, Alice Hershey, Caroline Barnes and Mildred McQuarrie of Missoula were dinner guests at the Delta Gamma house Wednesday.

In observation of the national custom of Mothers' day Sigma Chi will hold a reception May 8.

Henry Lamb, chairman of the new student committee, requests that all chairmen of the county clubs inform him at once of the number of members of their club and the number of contestants and visitors expected from their county. The information is to be left on the letter rack in Main hall. Chairman Lamb also advises that the committees who meet the trains see that the coaches who accompany teams get their tickets at the station from Miss Lucille Leyda or Professor R. N. Thompson. One or both of them will be at the station when the trains come on which contestants arrive.

According to Lamb, there will be about 150 visitors from Flathead county and about 100 from Butte. There will also be a crowd from Helena.

Girls entered in the declamatory contests and their chaperons will take their meals at Craig hall, states Miss Ethei Clark, matron. The number will probably reach 50, according to estimates of Chairman J. P. Rowe.

Coach B. W. Bierman and Physical Director W. E. Schreiber will arrange all heats and other athletic events for the track meet.

The first event for Interscholastic week is the annual debate to be held on Wednesday evening, May 12. The subject for debate is: Resolved, That the state and federal governments should pass a minimum wage law affecting all types of employment.

The state has been divided into eight districts, each district being represented by one debater. The debaters are chosen by an elimination contest held in their district. The participants and the towns which they represent and their respective districts are given below.

John K. Sullivan, District 1, Whitefish; Joseph Gibson, District 2, Missoula; Charles F. Schurch, District 3, Deer Lodge; N. John McKay, District 4, Harlowton; Cecil Alsop, District 5, Shelby; Paul L. Anderson, District 6, Joliet; Helen Johnson, District 7, Hysham; Robert Miller, District 8, Culbertson.

The University men's glee club will give a recital in the assembly hall Friday evening as the concluding event of the track meet. Various other forms of entertainment will be provided during the three days of the meet.

LITERARY MAGAZINE TO BE ON CAMPUS MAY 11

The first issue of the first literary magazine to be issued at the University will appear on the campus May 11, according to Professor H. G. Merriam. The magazine will sell for 25 cents a copy and will contain 24 pages.

Material for the two fall issues will be received up to June 16. All ready some material has been turned in for these issues.

AN OPPORTUNITY

Not very often is the space in the editorial columns of a paper given to information of an advertising nature, but for the sake of making known to the students a situation which must be cleaned up as soon as possible this comment is necessary.

The Student Store will need a graduate manager next year as Stuart McHaffie, the present manager, will not be available. The position must be filled before the end of the year. It is not the policy of the Executive Committee to go outside the campus in naming a successor. A Montana graduate student who is a capable and efficient manager, would be given first consideration. If there is any member of the Senior class who believes himself qualified to hold such a position, members of the Executive Committee would be glad to confer with him. The managership of the student store affords an excellent opportunity for business training. It is a position which will allow a keen application of business principles and at the same time give the holder the necessary experience in the art of buying. From the remunerative standpoint, the managership is worth while. Here is an opportunity for a Montana graduate.

THINK IT OVER

The announcement that two students from the state of Montana would be selected this year as Rhodes scholars should bring University students to attention. In spite of the fact that some of our misinformed public speakers have gone so far as to say that England is claiming America's best to train them in the ways of an Englishman (a narrow, dogmatic view) we believe that an opportunity to represent Montana at Oxford calls for serious thought by any person who is on the eligibility list. A chance for travel, a new viewpoint, a clearer and better conception of the world and its problems, are a few of the benefits which come to a Rhodes scholar. University students must move to the front and this is one way to do it.

GET BEHIND THE TEAM

Bruin teams win or lose, are worthy of support.

Yesterday the baseball team left for its initial game, to open a series in which our championship title is at stake. The students want their team to win, without a doubt. Why not see the squad off and show a little fighting spirit? We meet winners at the depot with the band, losers are allowed to find their own way home.

Win or lose, Bruin teams represent Montana.

Montana teams fight. Although sometimes defeated, a Bruin squad is never whipped except by lack of student morale.

Get behind the team. Let's hold the state title and annex the Northwest Conference pennant. Captain Vitt and his men are championship caliber. With spirited support they can not be stopped.

—G. M.

SINGING ON THE STEPS WILL ADVERTISE ISSUE

Bill Hughes Leads Several Yells as Tryout Before the Elections.

"If the crowd turns out as well for singing on the steps during track meet as it did tonight it will prove one of the biggest things in our favor towards the furtherance of the bond issue and millage tax campaign and also for the increase in registration which we expect next fall," said Yell King Kane after S. O. S. last night.

Kane sent out a call for new Varsity yells. Bill Hughes, as candidate for yell king next year, lead the Locomotive and the Montana yells. In spite of the fact that Kane announced several weeks ago that all the men who wished to run for the position in the coming election should try out, Hughes was the only one who volunteered.

Sidney Ballard and A. E. Farmer urged the different organizations on

the campus to put on good stunts and floats in the carnival which will be held the last day of the meet.

Both the men emphasized the fact that this was another way of advertising the bond issue. Farmer plans to have moving pictures of the parade taken and sent over the state.

PSYCHOLOGY DEPARTMENT OFFERS \$20 CASH PRIZE

A \$20 prize will be given to a student in the psychology department at the end of this quarter.

The class voted that Professor Franklin O. Smith and his assistant, Walter R. Ames give the prize to the student who has made the best progress during the year, instead of the one who receives the highest grade in his work.

This prize is a departmental one, being given to a different department each year. The 1920 prize falls to psychology.

Dan Callahan returned to Missoula this week after spending the past month with relatives at Richmond, Va.

MUSICAL CONVOCATION PLEASES BIG AUDIENCE

Orchestra Under Direction of Professor A. H. Weisberg Receives Much Applause.

The musical program under the direction of Professor A. H. Weisberg, instructor in violin, drew a great deal of applause from a well-filled convocation hall Thursday morning.

The program consisted of two overtures, Calliph of Bagdad, and the Eagles' Nest, by the orchestra, and two violin solos, Tarantella, played by Marion Ferguson, and Air Varie, played by Caroline Friauf.

Professor Weisberg said that the program was all prepared during class and lesson periods and so no encores were prepared. The last overture was repeated at the request of the audience.

There were 16 pieces in the orchestra. The members of the orchestra are as follows: Mary Doer, Marion Ferguson, Phillip White, Caroline Friauf, first violin; Irma Stark, Wynema Woolverton, second violin; Joyce McMurry, Eleanor Harvey, cello; Mrs. A. H. Weisberg, bass; Omar White, flute; Roscoe Jackman, William Wilson, cornet; Samuel Smithers, trombone; Florence Wallace, piano, and Professor Weisberg, director.

HAS PETITION ACCEPTED TO ENTER JOHNS HOPKINS

Florence Dixon, '20, Will Take Work in Hygiene and Health at Eastern University.

Florence Dixon, '20, has had her petition for entrance accepted by the school of hygiene and health at Johns Hopkins university. Miss Dixon will have a post graduate course there next year.

The school of hygiene and health is new and is endowed by the Rockefeller Institute. It is one of the few schools there where women are admitted on the same basis as men. Miss Dixon will take a course that will lead to a degree of doctor of science and health and will fit her for public health with either state or federal boards of health.

She will graduate in June from the biology department, where she has been a student assistant for two years. She is a member of Kappa Kappa Gamma, social fraternity, Penetralla, women's honorary society, and Kappa Tau, local scholarship fraternity.

SPECIAL TICKET SALE

Students Obtain Admission to Interscholastic Meet at a Reduced Rate of \$2.

Attention of the students of the University is called to the fact that they can obtain special tickets to the Interscholastic track meet at a reduced rate of \$2, according to Arthur Bevan, assistant professor in geology, who is in charge of the sale of tickets for the meet.

The tickets are now on sale at the A. S. U. M. store by a student committee. This student ticket admits the bearer to all events of the meet and represents a saving of nearly one-half over the price of single admissions for the various events.

Following is a list of the students appointed on the committee to sell tickets:

B.H. Kane, chairman; Mac Gault, Charles Spiller, Pat Keeley, Gussie Scherck, Henry Lamb, Bob Merrill, Clayton Farrington, Ann Wilson, Alice Schwefel, Margaret Turner, Mary Farrell, Inga Hoem, Clara Johnson, Doris Thetge, Ruth Cavin and Nellie Gunning.

GRIZZLY CUBS DEFEAT MISSOULA TRACKSTERS

Win by 84-47 Score; Duffy, Kibble, Lewis and Morris High Point Winners.

The Bruin Cubs defeated the Missoula high track team Tuesday by the score of 84 to 47. The victory was not unexpected but the overwhelming score was the feature of the meet.

The Freshmen captured all places in the 100-yard dash and shot put and won the half-mile relay in one minute and 42 seconds. Duffy won individual honors with firsts in the 50, 100 and 220 sprints, and was a member of the winning team. Kibble was second in points with 14 to his credit, garnered from firsts in the pole vault and high jump, second in the 50 and third in the broad jump.

The features of the meet were the mile, 440, and relay. Lewis of the Frosh and Gibson of the High school put up a pretty fight in the mile and Pierce of the high school made a game fight against Morris of the yearlings in the quarter, losing by a narrow margin.

The results are as follows:

50-yard dash—Duffy, freshmen, first; Kibble, freshmen, second; Morris and Barry, freshmen, tied for third. Time, 6.1.

100-yard dash—Duffy, freshmen; Morris, freshmen; Rutherford, High school. Time, 11.1.

220-yard dash—Duffy, freshmen; Rutherford, high school; Balf, high school. Time, 24.4.

440-yard dash—Morris, freshmen; Pierce, high school; Porter, freshmen. Time, 56.3.

880-yard run—Lewis, freshmen; Burkhardt, high school; Frazier, high school. Time, 2:19.

1 mile run—Lewis, freshmen; Gibson, high school; Knowles, high school. Time, 4.59.

High hurdles—Conroy, high school; Raybell, high school; Elliot, freshman. Time, 21.1.

Low hurdles—Balf, high school; Barry, freshman; Sargent, high school. Time, 29.

Javelin—Anderson, high school; Mithers, freshman; Sargent, high school. Distance, 119 feet, 2 inches. Elliot, freshmen.

High jump—Kibble, freshmen; Elliot, freshmen, and Sargent, high school tied for second. Height, 5 ft. 1 in.

Broad Jump—Dahlberg, high school; Ramsey, freshmen; Kibble, freshmen. Distance, 18 ft. 3 in.

Discus—Kershner, freshmen; Madsen, freshmen; Cramer, high school. Distance, 105 ft. 4 in.

Pole Vault—Kibble, freshmen; Conroy, high school; Porter, freshmen. Height, 9 ft. 6 in.

Shot put—Elliot, freshmen; Barry, freshmen; Madsen, freshmen. Distance, 38 ft. 2 in.

The frosh relay team, consisting of Morris, Porter, Hobart and Duffy defeated the high school team of Kelms, Conroy, Dahlberg and Pierce in the half-mile play. Time, 1.42.

Sport Froth

Coach Schreiber took twelve "good men and true" on the baseball trip Thursday morning. It is very doubtful that the Bobcats have that many "good" men.

The Bruin outfield will bring down all the high ones if they are within reach and a whole lot that are not within reach.

With Spencer and Captain Vitt on the mound, it is predicted that the farmers will fan a lot of air in two days.

Murphy, Ross and Peak will occupy the bench and when these three men can only hold the bench—well, imagine for yourself what the rest of the team is.

Pope of Washington and Irving of Idaho are now considered as good material for the Olympic games.

Harry Adams, if he improves as much as he has been doing in the last two weeks, will be able to compete in the Conference meet, but it is doubtful if he will be able to sprint against the Aggs.

Bowen, the Aggie second baseman, had two fingers cut off in a planer a few days ago and will be out of the game for the rest of the season.

The Greeks are clashing again. This time it is in baseball and track.

Captain Hodson is a sure point winner in the high jump and his spikes does not let the grass prosper under his feet either when he sprints.

Jacobson is cutting down the time in the two-mile event and Bachman, the Rocky Mountain champ, will have no time to run circles around him.

Lewis, a little freshman, has all the nerve in the world when it comes to running a mile.

Duffy moves right along in the sprints as he showed the people last Tuesday.

With Duffy, Sterling, Adams, Romney and Sullivan entered in the dashes, Montana looks good to the man who is always looking for a sure thing.

May 22 is not far off and our Aggie friends had better bring a lot of good athletes over here for once.

SIGMA NU TAKES FIRST INTERFRATERNITY GAME

Delta Rho Loses 7-6; Sigma Chi and A. D. A. Play Today; Iota Nu Meets S. P. E. Saturday.

Te Sigma Nu nine defeated the Delta Rho sluggers in the first game of the inter-fraternity series, the final count being 7-6. The hero of the game was Jacqueth, who through his wonderful running stop of a hot grounder, retired the Delta Rhos in the last inning after two runs had been scored and two men, were on bases. The game was closely contested throughout, the Sigma Nus drawing first blood when Joe Kershner, after making a three bagger to center field, scored on Crosby's single to right. The D. R.'s then tied the score and in the next inning made three more runs. In the last inning when D. R. came to bat the Sigma Nus led by the score of 7-4. Kershner had been pitching in great form up to that time, but here he hit a snag and before he regained control, two runs were across and two men were on the bases. It began to look bad for the Sigma Nus when Jacqueth, on the dead run, scooped up a grounder and retired the side by tossing to first.

The stellar features of the game was Kershner's pitching, Jacqueth's playing at second base and Keith's handling of the first corner. The men on the D. R. team distinguishing themselves were Patterson pitching, Boyd playing the second sack and Farmer

at short. Professor E. L. Freeman umpired.

Today the Alpha Delta Alphas meet the Sigma Chis on the diamond and on Saturday the Iota Nus go up against the Sigma Phi Epsilons. The finals will be started on May 9th, the three winners drawing lots to see which teams stack up against each other. The losing team of this game is eliminated from the contest and the championship game will be played off later.

This is the first inter-fraternity series since 1917. Sigma Nu won the pennant that year.

HOLD FINAL MAY FETE REHEARSALS TUESDAY

Novel Dances to Interpret Story
Written by Wilda Linderman.

Final May fete practices will be held Tuesday at 1 o'clock on the University oval, according to Margaret Turner, chairman of the May fete committee. Every dance must be practiced at that time.

One of the novel features of the May fete dances this year will be an interpretation of a story written by Wilda Linderman named "The Awakening of Spring."

"This will give some meaning to the dance," said Miss Turner, "the dances will be worked around the theme and will therefore be linked together in a unified manner."

CARNIVAL BEST EVER ACCORDING TO BALLARD

Each Campus Organization Expected to Put on Float; Jitney Dance in Evening.

"From the report of the fraternities everything seems to indicate that the carnival this year will be the best yet," said Sidney Ballard who, with Clyde Murphy, has charge of the carnival May fete day. "Interscholastic week will make it rather difficult to have everything prepared for Saturday, so it is up to all the students to do their share.

Every organization on the campus is expected to put on a float for the afternoon parade. The carnival in the evening will be managed entirely by the men, since most of the women will be in the May fete dances. Following the carnival there will be a jitney dance in the gymnasium.

All campus organizations who have not reserved space in the gymnasium for their stunt should see Sidney Ballard or Clyde Murphy at once. The booths and raffling which will be in charge of co-ed organizations should also be reserved.

The money made at the carnival and dance will be put into the A. S. U. M. fund.

Dorothy Baggs of Stevensville is visiting at the Delta Gamma house over the week-end.

Dorothy Powell left for Anaconda where she will spend a few days.

DELTA SIGS MAINTAIN LEAD IN CO-ED TOURNEY

**Defeat Alpha Phis in Fast Game
by Score of 12
to 17.**

Defeating Alpha Phi by a score of 12 to 17 Delta Sigma Chi maintained its lead in the co-ed baseball tournament. Earlier in the week Delta Sigma Chi defeated Theta by a score of 19 to 16, Town 13 to 11, and Out of Town 18 to 14.

Craig Hall and Town are tied for second place with three victories. Craig Hall lost to Town and Town to Delta Sigma Chi.

The tournament will end Monday. Saturday at 1 o'clock Alpha Phi will meet Kappa Alpha Theta. Town will play Kappa Kappa Gamma, Delta Gamma and Delta Sigma Chi will play and Out of Town and Craig Hall are to meet.

Monday at 5 o'clock Kappa Kappa Gamma and Delta Sig are to play, Delta Gamma and Alpha Phi will meet, Theta is to face Craig Hall, and Town and Out of Town will play.

Following are the scores for the games which have been played this week:

Delta Sigma Chi 19, Kappa Alpha Theta 16.

Out of Town 21, Delta Gamma 31.

Craig Hall 21, Kappa Kappa Gamma 20.

Town 9, Alpha Phi 6.

Craig Hall 10, Alpha Phi 6.

Town 28, Delta Gamma 16.

Delta Sigma Chi 32, Kappa Alpha Theta 28.

Delta Sigma Chi 12, Alpha Phi 7.

Town 23, Craig Hall 19.

Delta Gamma 22, Kappa Alpha Theta 20.

Kappa Kappa Gamma 30, Out of Town 8.

	Won	Lost	Pct.
Delta Sigma Chi.....	1	0	1000
Craig Hall	3	1	750
Town	3	1	750
Delta Gamma	2	2	500
Kappa Kappa Gamma.....	2	2	500
Alpha Phi	1	3	250
Out of Town	1	3	250
Kappa Alpha Theta	0	4	000

HONOR AGGIE HERO

A proposition will be placed before the faculty and student body of Montana State College to name the permanent athletic field at the institution "Gatton Field" in honor of "Cy" Gatton, who was killed in France. Gatton was one of the best known college athletes in Montana, a football star at M. S. C. The class of which he was a member is behind the proposition.

Masquers to Postpone Presentation of Play

"The Fortune Hunter," a play that was to be staged by the Masquers club this spring, has been postponed until the fall quarter.

In previous years the Masquers club has always put on the commencement play, but this year it is being put on by the Senior class. Accordingly the Masquers decided to stage their play next fall and avoid any competition between the two plays.

Tryouts for "The Fortune Hunter" will be held at the beginning of the fall quarter, according to Lambert Demers, president of the Masquers club.

JUDGE DECLAMATORY

Professors H. G. Merriam, W. E. Christensen and E. L. Freeman are in Hamilton today to judge the annual declamatory contest there, which is held in conjunction with the Ravalli county track meet.

Harry Adams and John Toole are officiating at the track meet.

INSTALL ASH CONVEYOR FOR U HEATING PLANT

**Work Engineered and Supervised
by Charles Farmer, Super-
intendent.**

Completion was made yesterday of the installation of a Hagen steam-jet ash conveyor from the University's heating plant. The work was engineered and supervised by Charles F. Farmer, superintendent of the physical plant of the University.

The ash conveyor, an American stoker and forced draft, are attachments of the new Stirling tube boiler recently installed. This boiler will furnish heat for the entire University. The conveyor is made up of sections of iron piping, eight feet long, with an inner diameter of eight inches, one inch metal thickness and weighs approximately 1,000 pounds.

The pipe is laid along the floor of the boiler room for several feet, then set vertically for a raise of 28 feet. Then it is laid along the roof for about 20 feet. The ashes are blown

into a large hopper and dumped into trucks.

In a trial test yesterday all of the ashes which accumulated during the day were blown from the boiler room in five minutes.

The expense of installing the boiler and ash conveyor amounted to \$17,200. An automatic stoker which carries the coal from where it is dumped from the trucks into the boiler room by an endless chain of buckets will dispense with hand labor. It will also make it possible to use a cheaper grade of coal by efficient handling and less waste, thus saving the University considerable expense.

The coal elevator and ash conveyor will save the University \$800 annually by doing away with hand labor, according to Mr. Farmer. The coal will not be touched by any employee of the University after it is dumped from the trucks except in case of emergency.

Ethel Brockway and Mary Showell were dinner guests of Lila Shipley Wednesday evening at Craig Hall.

Katherine Donohue, 21, returned Monday from Los Angeles, where she spent the past two months.
